Admission for
MASTER (Research, 4 semesters)

Business Administration and Engineering

Administrarea și ingineria afacerilor (in English language)

The program is running for 25 years and gave alumni working in key positions in multinational or national companies, some started up as their own initiatives.

The program addresses the graduates of various faculties of technical universities, general universities or academies of economics and also the foreign students wishing to obtain economic knowledge and to complete their digital expertise, being able to be part of a successful business.

Candidate registration: June 29 – July 7.

Language test (if necessary): July 3.

The second part of the examination for admission to this program takes place on **July 9, starting from 9.00** and consists of an **Interview**.

The interview will use the online platform on [Microsoft Teams](#) and it will last approximately 5 minutes for each candidate. The exact schedule will be displayed on the Teams page and sent by e-mail on July 8, at 18.00.

Candidates will request the creation of the account with access to Microsoft Teams at mbae@upb.ro until July 7, at 18.00, if they were not students in POLITEHNICA University. They can send at this address a CV and a letter of intent.
